## HOW IT WORKS

KRS want to give schools flexibility over placements, and ensure a place is available when you need one.

Your school or academy trust reserves places for a half term, these places can be used as you choose.

You can reserve 5, 7 or 10 places each day  
Tues, Wed & Thurs

These places are yours for any student for any reason.

## 5 PLACES PER DAY

**£9265 per half term**

## 7 PLACES PER DAY

**£12630 per half term**

## 10 PLACES PER DAY

**£17550 + per half term**
