

Stepping Stones: Back to School

BACK TO SCHOOL!

Now its the time to return .
Keep a safe place available, but
limit its use.

Gradual going to a lesson, preferably arriving early
build up time in class, time in a safe space.
Attend form time.

Keep Building

Its now time for the focus being in a safe space in
school for the student no big crowds, building
introduce another student, buddy system or mentor

Blended learning approach, work at home, and work
at school, do you have separate building or a
different entrance to a room for a single lesson
starting 1-1, then a small group. Keep Building

Start with some online learning at home,
short Maths and English lessons, nothing to
taxing. Build rapport & Trust

Engage with parents / carers and
students early, make connections
through home visits.
